

ACRUX\* WOOL SYSTEMS

## A GUIDING STAR

Acrux, the brightest star in the Southern Cross constellation, is a guiding light in the night sky above New Zealand. Just as Acrux has been a steadfast beacon for explorers and dreamers, our premium wools embody the enduring spirit of the land. Under this very sky, our sheep are free to roam and graze on the purest pastures.

Acrux Wool Systems represents the traditions and exceptional quality that define New Zealand.

# WORK WOOL MID MICRON

Our mid-micron wool is engineered for superior performance in the most demanding working or active conditions. Designed to serve as a durable outer layer, this fibre is incredibly robust, providing excellent protection and comfort. Perfect for tradesmen and active individuals, mid-micron workwear offers enhanced breathability, moisture-wicking, and odour-resistant properties, ensuring you remain comfortable and fresh throughout the day. This innovative wool is the ultimate choice for those who require high-performance, hard-wearing garments that can withstand the rigours of daily use.

# SUPERFINE MERINO

## 18 MICRON

The epitome of luxury, designed to be silky to the touch and perfect for premium knitwear. This ultra-fine fibre is ideally suited for direct skin contact, offering unparalleled softness and comfort. Whether used in delicate thermals or luxurious knitwear, 18 micron wool provides a refined, breathable, and thermoregulating layer that feels indulgent and performs impeccably in any climate.

### SUPERFINE MERINO

A beautiful fibre used against the skin and in luxurious knitwear.

# SECOND LAYER MERINO

## 23 MICRON

Striking a perfect balance between softness and durability, this wool is an excellent choice for everyday mid-layer garments. This versatile fibre is robust enough to withstand daily wear while maintaining a soft, comfortable feel against the skin. Ideal for year-round use, 23 micron wool offers superior insulation and breathability, ensuring you stay comfortable across the seasons.

### SECOND LAYER MERINO

An intersection between luxury and comfort for everyday durability.
